List Administrator Password:

Important: From this point on, you must have cookies enabled in your browser, otherwise no administrative changes will take effect.

Session cookies are used in Mailman's administrative interface so that you don't need to re-authenticate with every administrative operation. This cookie will expire automatically when you exit your browser, or you can explicitly expire the cookie by hitting the *Logout* link under *Other Administrative Activities* (which you'll see once you successfully log in).

Using test-announce

To post a message to all the list members, send email to test-announce@mailman.mines.edu.

You can subscribe to the list, or change your existing subscription, in the sections below.

Subscribing to test-announce

Subscribe to test-announce by filling out the following form. You will be sent email requesting confirmation, to prevent others from gratuitously subscribing you. Once confirmation is received, your request will be held for approval by the list moderator. You will be notified of the moderator's decision by email. This is also a hidden list, which means that the list of members is available only to the list administrator.
