Campus Colleagues,

Creating an ethical and safe workplace is of the utmost importance to Mines leadership. Mines expects its faculty, staff, graduate teaching and research assistants, undergrad student employees, and volunteers to perform the duties of their positions ethically and with integrity. Section 6 of the Faculty Handbook, Section 4 of the State Employee Handbook, and the Student Code of Conduct provide more detailed explanations of these expectations.

We all share the responsibility of creating a highly ethical, positive campus environment. This includes the responsibility to SpeakUP when you see or experience misconduct of any kind. Mines provides various mechanisms to assist and encourage individuals to come forward with reports or concerns about suspected misconduct and compliance issues. While partnering with your supervisor or department head to address concerns is best, we understand that there may be times when you feel uncomfortable pursuing such interactions.

Mines has a third-party reporting system called SpeakUP@Mines. This system allows you to use an outside party to advise Mines of misconduct or areas of concern. Your concerns can be anonymous if you so choose when making a report. The SpeakUP@Mines webpage contains reporting and contact information.

The Whistleblower Policy provides protection to report without fear of reprisal or retaliation. Whistleblower reports made to a supervisor or department head are to be forwarded immediately to the Director of Internal Audit upon receipt by the supervisor or other personnel.

The reporting tool is not designed or intended for day-to-day disagreements or differences of perspective (these issues should be addressed with your supervisor, department head, or leadership team member). The reporting tool is NOT for emergencies—call 9-1-1 to obtain immediate assistance from Campus Police.

~~~~~~~~~~~~~~~~~~~~~~~~~~~~~~~~~~~

I, the undersigned Colorado School of Mines employee, acknowledge receiving the above information. I understand I am supposed to perform my job duties ethically and with integrity. My signature below indicates my acknowledgement of this responsibility.

FERPA
Family Educational Rights and Privacy Act of 1974
Confidential Student Data Agreement for All Mines Employees

FERPA, also known as the Buckley Amendment, helps protect the privacy of student records. The Act provides for:

- the right to inspect and review education records
- the right to seek to amend those records
- the right to consent the disclosure of information from the records
- the right to obtain a copy of the school's Student Records policy

The act applies to all institutions that receive federal funding. Students who are currently enrolled in higher education institutions or formerly enrolled, regardless of age or status with regard to parental dependency, are protected. Deceased students are protected under FERPA as long as they were formerly enrolled. Students who have applied but did not attend an institution are not protected.

The following is a list of those who are entitled to student information:

1. The student and any outside party who has the student's written consent.
2. School officials who have "legitimate educational interest" as defined in FERPA.
3. Parents of a dependent student as defined by the Internal Revenue Code. Mines assumes all students are independent, and thus requires the front page of the parents' current Federal tax return to prove that the student is dependent before giving out academic information. This can only be handled at the Registrar's Office and is only suggested as a last resort when a student is in a serious situation.
4. State or federal agencies for the purpose of obtaining Financial Aid.
5. Accreditation agencies during their on-campus review.
6. A judicial order or subpoena which allows the institution to release records without the student's consent, however, a "reasonable effort" must be made to notify the student before complying with the order.

Directory Information
The Colorado School of Mines will release the following Directory Information on any student (but not in aggregate lists), unless the student signs a request to limit its release. This "stop of release" will remain in effect until the Registrar's Office is notified by the student. Notification to remove the stop of release must be made in person or writing by the student, and notarized. The following data items are classified as Mines Directory Information.

- Name
- Current and permanent addresses and phone numbers
- University Email Address
- Student Photo
- Date of birth
- Major field of study
- Dates of attendance
- Full or part time status
- Degrees awarded and dates
- Last school attended
- Participation in officially recognized activities and sports
- Class (FR, SO, JR, SR, GR)
- Academic honors

Parental Access to a Student's Educational Record
When a student reaches the age of 18 or begins attending a post-secondary institution, regardless of age, FERPA rights transfer from the parent to the student. Parents must obtain a signed consent from their child to receive non-directory information. Schedules, attendance, class performance, and grades are among the non-directory protected information and may not be released to parents without student release or proof of IRS requirements.

The Registrar's Office keeps the consent form on file when it is completed in person in the Registrar's Office. Should a parent contact a Mines faculty/staff member regarding their child, records must first be checked for this release authorization prior to the release of any non-directory information.

In the case that the parent wants access to non-directory information, the student is not available to sign the release, and the student is a dependent of the parent according to the IRS code, the parent needs to provide a copy of the first
page of the 1040 IRS tax forms filed for the most current year with the dependency information included. Income amounts may be blacked out for privacy. This copy must be notarized and provided to the Registrar’s Office. This form must be provided for each year during the student’s enrollment in order for the parent to continue receiving full non-directory information concerning their student.

Posting of Grades and Release of Information by Faculty

• **GRADES** - The public posting of grades using the student’s name, social security number, student ID number, or any portion thereof, without the student’s written permission is a violation of FERPA. This includes the posting of grades electronically for students taking distance education or Blackboard courses that can be viewed by anyone other than the student and professor of the class.

• Faculty members who post grades should use a system that ensures that FERPA requirements are met. This can be accomplished either by obtaining the student’s written permission or by using code words or randomly assigned numbers that only the professor and individual student should know.

• Papers with student names and grades on them may not be left in public areas for students to pick up, whether in a classroom setting or in a hallway outside of faculty offices.

• If it is necessary for a faculty member to use a student record as an example in a public University meeting, all identifying information (including name, address, student ID, etc.) must be removed from the documentation before dissemination.

• Notification of grades via postcard violates a student’s privacy rights.

• Notification of grades via e-mail or fax is not recommended. There is minimal guarantee of confidentiality.

• Normal course grades (papers & tests) can be posted and viewed by students in the Blackboard system. Midterm and final grades may be viewed on the student web system.

• **RECOMMENDATIONS** - If a student requests a recommendation for a prospective employer, scholarship or other reason, you must get a signed release from that student listing exactly what you may share (gpa, attendance, course performance, grades, etc.). The release must also include the name of the company or individual to receive the information. This is permission to release the data only once to the stated third party.

Media Relations

If you are contacted by a member of the print or visual media, refer the requestor to Public Relations. Do not answer any questions about any student, especially if the student has chosen to not release his/her directory information. The appropriate statement for a student who has chosen to not release directory information is:

“I don’t have any information about that person.”

Even the word ‘student’ in this context could imply that the person is a Mines student, please use the word person.

**WHEN IN DOUBT, DON’T GIVE IT OUT!**

For specific questions regarding FERPA requirements contact the Registrar’s Office or University Legal Counsel.

AS A MINES EMPLOYEE, I UNDERSTAND THAT I MAY NOT PROVIDE STUDENT ACADEMIC (NON-DIRECTORY) INFORMATION TO ANY THIRD PARTY WITHOUT THE PROPER AUTHORIZATION. I ALSO UNDERSTAND THAT IF THE STUDENT HAS MADE HIS/HER RECORD CONFIDENTIAL, I MAY NOT ACKNOWLEDGE THAT THE PERSON IS A STUDENT AT MINES AND I MAY NOT GIVE OUT DIRECTORY INFORMATION. I MUST RESPOND BY SAYING “I HAVE NO INFORMATION ABOUT THAT PERSON.” IF INFORMATION IS RELEASED WITHOUT AUTHORIZATION, ACTION MAY BE TAKEN THROUGH MY SUPERVISOR AND HUMAN RESOURCES.

I HAVE READ AND UNDERSTAND THE INFORMATION CONTAINED HEREIN:

1.0 BACKGROUND AND PURPOSE

Mines is committed to protecting the health, safety, and well-being of all employees, students, and other individuals in our workplace and campus community. Alcohol abuse and drug use can pose significant health, safety, and well-being concerns within the Mines working and learning environment.

1.1 There are many risks associated with the use of illicit drugs and the abuse of alcohol, including physical and mental impairment, emotional and psychological deterioration, and devastating effects on family, friends, and co-workers. Obvious risks include being charged with driving under the influence, sustaining or causing personal injury, and suffering immediate health risks (hangovers, incapacitation, overdose, convulsions and death). A number of less obvious risks include poor job performance, jeopardizing future career prospects, unwanted and inappropriate sexual activity, slowed reaction times, short-term memory impairment, irritability and depression, and mental confusion. Information about the known effects of alcohol and specific drugs is available from many on-line sources, the Mabel M. Coulter Student Health Center, and the Colorado State Employees Assistance Program (C-SEAP).

1.2 As a recipient of federal contracts and grants, Mines is subject to federal laws and regulations with respect to drug and alcohol use in the workplace. The Drug-Free Workplace Act of 1988 requires that Mines establish drug and alcohol policies and programs. In addition, former Colorado Governor Roy Romer issued Executive Order D000291 regarding Substance Abuse by State Employees. In accordance with the above, Mines has enacted the following policy applicable to all employees and certain other covered individuals.

2.0 POLICY

It is the policy of Colorado School of Mines to maintain a drug-free workplace and campus. The unlawful possession, use, manufacture, or distribution of illicit drugs on the campus, in the workplace, or as part of any School activity is prohibited. In addition, the illegal use of alcohol or misuse of alcohol on the campus, in the workplace, or as part of any School activity is also prohibited. The campus and workplace includes all Mines premises and any premises where Mines activities are conducted.

1 This Drug-free Workplace Policy is also intended to comply with the Drug-Free Schools and Communities Act of 1989. Additional information about maintaining a drug-free campus community may be found here: AOD Education and Prevention Policy.
2 As described below including campus volunteers, contractors, and visitors.
3 Except as authorized under the Board of Trustees Institutional Alcohol Policy.
2.1 The unlawful possession, use, or distribution of illicit drugs and unlawful or unauthorized use of alcohol by employees will result in disciplinary action (consistent with Mines policies, and local, state, and federal laws). While Colorado’s Constitution allows for the legal use of marijuana under certain circumstances, because of Mines’ status as a federal contractor and grant recipient, and because marijuana use is still prohibited under federal law, the use of marijuana at work, or outside of work if it impairs an employee’s ability to perform his or her job, constitutes a violation of this policy.

2.2 Discipline, depending upon the circumstances involved, may range from verbal warnings or counseling, written corrective action or disciplinary actions, up to and including termination of employment. In addition to discipline, or in lieu of it, employees may be referred to appropriate counseling or treatment programs (at the employee’s expense). Employees found to be in violation of this policy may be required to provide evidence of satisfactory participation in a substance abuse assistance or rehabilitation program.

2.3 Violators of the policy may also be referred to the appropriate authorities for prosecution depending on the circumstances of the violation.

2.4 It is not the intent of this policy to prohibit the possession or use of legally prescribed controlled substances for medical reasons by the individual for whom the medications are prescribed. Any employee taking prescribed or over-the-counter medications is responsible for consulting the prescribing physician or pharmacist to determine whether the medication may interfere with the safe performance of his or her job. It is the responsibility of the employee to use appropriate personnel procedures (e.g., proper use of sick leave as needed and appropriate, etc.) and to inform his/her supervisor if such medication may temporarily impair the employee’s ability to safely and satisfactorily perform assigned duties.

2.5 Irrespective of the use of legally prescribed drugs, controlled substances, and the lawful use of alcohol, it is a violation of workplace standards to be at work in an impaired status. If an employee is at work in an impaired status, Mines has the right to take such disciplinary action as Mines deems necessary to ensure work is safely and properly performed. Being unfit for work because of use of drugs or alcohol is strictly prohibited, and is grounds for termination of employment. While this policy refers specifically to alcohol and drugs, it is intended to apply to inhalants and all other forms of substance abuse.

2.6 In accordance with the specific requirements of the Drug-Free Workplace Act of 1988, employees who are convicted (including a plea of nolo contendere) of a criminal drug statute violation occurring in the workplace must notify the Colorado School of Mines in writing of their conviction within five (5) days thereafter by informing their supervisors and the Associate Vice
2.7 Employees who are required to obtain Commercial Drivers Licenses in order to drive vehicles heavier than 26,000 pounds, vehicles placarded for the transportation of hazardous materials, and/or vehicles designed to carry sixteen (16) or more persons are subject to a protocol of testing for the use of drugs and alcohol.

2.8 As a condition of employment, all Colorado School of Mines employees are required to follow this policy.

3.0 REHABILITATION

3.1 Mines recognizes alcohol or drug dependencies are treatable conditions. Employees who suspect they have an alcohol or drug dependency problem are encouraged to seek assistance. Successful completion of an appropriate rehabilitation program (including participation in aftercare) may be considered as evidence of eligibility for continued or future employment.

3.2 Employees who are concerned about substance use, abuse, and rehabilitation are strongly encouraged to contact their family physicians, their health plan, or the Colorado State Employees Assistance Program. (C-SEAP contacts are confidential and free of charge to the employee.) Health insurance plans may provide coverage for substance abuse programs that address substance abuse and rehabilitation. The Office of Human Resources has information about the health plans. Additionally, the health plan documents can be found at: http://inside.mines.edu/Employee_Benefits.

4.0 OTHER COVERED INDIVIDUALS

4.1 Individuals who are not Mines employees, but who perform work at Mines for its benefit (e.g., independent contractors, temporary employees provided by agencies, visitors engaged in joint projects at Mines, volunteers, etc.) are required to comply with this policy. Mines expects personnel of contractors, common carriers, and vendors working on Mines premises to comply with this Drug Free Workplace Policy. Failure to cooperate with Mines in this regard may result in removal from Mines premises and denial of future entry.

5.0 HISTORY & REVIEW CYCLE

This policy is subject to Annual (As Needed) Review. December 9, 2014 (Updated links, spelling, history & review cycle added).
Dear PERAChoice Member:

Complete this form to choose between the Colorado PERA Defined Benefit (DB) or Defined Contribution (DC) Plans. Both plans are a substitute for Social Security.

You are eligible to choose between Plans if you are:

» A State of Colorado employee hired on or after January 1, 2006,

» A community college employee hired on or after January 1, 2008, at one of the institutions listed on page 1 of the PERAChoice brochure,

» A classified college or university employee in the State personnel system hired on or after January 1, 2019, or

» A Local Government Division employee hired on or after January 1, 2019.

If PERA has received contributions on your behalf from another PERA employer in the last 12 months, you must return to the Plan in which you previously participated. PERA retirees are not eligible to participate. (The term PERA retiree includes retirees of the Denver Public Schools Retirement System who retired prior to January 1, 2010, and PERA retirees under the Denver Public Schools [DPS] benefit structure after January 1, 2010.)

NEXT STEPS

Depending on your choice, there are additional forms you will need to complete. All applicable forms are available on the PERA website (www.copera.org) and included in the PERAChoice brochure.

» If you choose the PERA DB Plan: Complete a PERA Member Information Form—Defined Benefit Plan(s) to designate a beneficiary.

» If you choose the PERA DC Plan: Complete a PERA DC Plan Beneficiary Designation Form to designate a beneficiary. You should also determine how your future contributions will be invested by going to www.copera.org and clicking on "Defined Contribution (DC) Plan" from the "Members" menu.

SWITCHING PLANS

If you are eligible for PERAChoice, you have the option to stop participation in the PERA DB Plan and begin participation in the PERA DC Plan, or to stop participation in the PERA DC Plan and begin participation in the PERA DB Plan. This is a one-time option and the change can only be made during the second to fifth year of participation in the Plan. For more information, refer to the PERAChoice Years 2–5 Change/Transfer Form. (PERAChoice members who were previously enrolled in a State DC Plan and were transferred to PERA on July 1, 2009, do not have the option of switching plans.)
You must submit this form to your human resources office no later than 60 calendar days from your first day of employment. If you do not complete and return this form to your human resources office or Colorado PERA within 60 calendar days from your first day of employment, you will be automatically enrolled in the PERA DB Plan. If you have made PERA contributions in the last 12 months, you must return to the Plan in which you previously participated. You may obtain information about each of the plans available to you from PERA or your employer’s human resources office. You may call PERA to discuss these plans at 1-800-759-PERA (7372).

Statement Concerning Your Employment in a Job Not Covered by Social Security

Employee Name ___________________________ Employee ID# ___________________________

Employer Name Colorado School of Mines Employer ID# 84-6000551

Your earnings from this job are not covered under Social Security. When you retire, or if you become disabled, you may receive a pension based on earnings from this job. If you do, and you are also entitled to a benefit from Social Security based on either your own work or the work of your husband or wife, your pension may affect the amount of the Social Security benefit you receive. Your Medicare benefits, however, will not be affected. Under the Social Security law, there are two ways your Social Security benefit amount may be affected.

Windfall Elimination Provision
Under the Windfall Elimination Provision, your Social Security retirement or disability benefit is figured using a modified formula when you are also entitled to a pension from a job where you did not pay Social Security tax. As a result, you will receive a lower Social Security benefit than if you were not entitled to a pension from this job. For example, if you are age 62 in 2013, the maximum monthly reduction in your Social Security benefit as a result of this provision is $395.50. This amount is updated annually. This provision reduces, but does not totally eliminate, your Social Security benefit. For additional information, please refer to Social Security Publication, "Windfall Elimination Provision."

Government Pension Offset Provision
Under the Government Pension Offset Provision, any Social Security spouse or widow(er) benefit to which you become entitled will be offset if you also receive a Federal, State or local government pension based on work where you did not pay Social Security tax. The offset reduces the amount of your Social Security spouse or widow(er) benefit by two-thirds of the amount of your pension.

For example, if you get a monthly pension of $600 based on earnings that are not covered under Social Security, two-thirds of that amount, $400, is used to offset your Social Security spouse or widow(er) benefit. If you are eligible for a $500 widow(er) benefit, you will receive $100 per month from Social Security ($500 - $400=$100). Even if your pension is high enough to totally offset your spouse or widow(er) Social Security benefit, you are still eligible for Medicare at age 65. For additional information, please refer to Social Security Publication, “Government Pension Offset.”

For More Information
Social Security publications and additional information, including information about exceptions to each provision, are available at www.socialsecurity.gov. You may also call toll free 1-800-772-1213, or for the deaf or hard of hearing call the TTY number 1-800-325-0778, or contact your local Social Security office.

I certify that I have received Form SSA-1945 that contains information about the possible effects of the Windfall Elimination Provision and the Government Pension Offset Provision on my potential future Social Security Benefits.

Signature of Employee ___________________________ Date ___________________________
New legislation [Section 419(c) of Public Law 108-203, the Social Security Protection Act of 2004] requires State and local government employers to provide a statement to employees hired January 1, 2005 or later in a job not covered under Social Security. The statement explains how a pension from that job could affect future Social Security benefits to which they may become entitled.

Form SSA-1945, Statement Concerning Your Employment in a Job Not Covered by Social Security, is the document that employers should use to meet the requirements of the law. The SSA-1945 explains the potential effects of two provisions in the Social Security law for workers who also receive a pension based on their work in a job not covered by Social Security. The Windfall Elimination Provision can affect the amount of a worker’s Social Security retirement or disability benefit. The Government Pension Offset Provision can affect a Social Security benefit received as a spouse, surviving spouse, or an ex-spouse.

Employers must:

- Give the statement to the employee prior to the start of employment;
- Get the employee’s signature on the form; and
- Submit a copy of the signed form to the pension paying agency.

Social Security will not be setting any additional guidelines for the use of this form.

Copies of the SSA-1945 are available online at the Social Security website, www.socialsecurity.gov/online/ssa-1945.pdf. Paper copies can be requested by email at ofsm.oswm.rqct.orders@ssa.gov or by fax at 410-965-2037. The request must include the name, complete address and telephone number of the employer. Forms will not be sent to a post office box. Also, if appropriate, include the name of the person to whom the forms are to be delivered. The forms are available in packages of 25. Please refer to Inventory Control Number (ICN) 276950 when ordering.
Form W-4 (2019)

Future developments. For the latest information about any future developments related to Form W-4, such as legislation enacted after it was published, go to www.irs.gov/FormW4.

Purpose. Complete Form W-4 so that your employer can withhold the correct federal income tax from your pay, considering completing a new Form W-4 each year and when your personal or financial situation changes.

Exemption from withholding. You may claim exemption from withholding for 2019 if both of the following apply.

- For 2018 you had a right to a refund of all federal income tax withheld because you had no tax liability, and
- For 2019 you expect a refund of all federal income tax withheld because you expect to have no tax liability.

If you’re exempt, complete only lines 1, 2, 3, 4, and 7 and sign the form to validate it. Your exemption for 2019 expires February 17, 2020. See Pub. 505, Tax Withholding and Estimating Tax, to learn more about whether you qualify for exemption from withholding.

General Instructions

If you aren’t exempt, follow the rest of these instructions to determine the number of withholding allowances you should claim for withholding for 2019 and any additional amount of tax to have withheld. For regular wages, withholding must be based on allowances you claimed and may not be a flat amount or percentage of wages.

You can also use the calculator at www.irs.gov/W4App to determine your tax withholding more accurately. Consider using this calculator if you have a more complicated tax situation, such as if you have a working spouse, more than one job, or a large amount of nonwage income not subject to withholding outside of your job. After your Form W-4 takes effect, you can also use this calculator to see how the amount of tax you’re having withheld compares to your projected total tax for 2019. If you use the calculator, you don’t need to complete any of the worksheets for Form W-4.

Note that if you have too much tax withheld, you will receive a refund when you file your tax return. If you have too little tax withheld, you will owe tax when you file your tax return, and you might owe a penalty.

Filers with multiple jobs or working spouses. If you have more than one job at a time, or if you’re married filing jointly and your spouse is also working, read all of the instructions including the instructions for the Two-Earners/Multiple Jobs Worksheet before beginning.

Nonwage income. If you have a large amount of nonwage income not subject to withholding, such as interest or dividends, consider making estimated tax payments using Form 1040-ES, Estimated Tax for Individuals. Otherwise, you might owe additional tax. Or, you can use the Deductions, Adjustments, and Additional Income Worksheet on page 3 or the calculator at www.irs.gov/W4App to make sure you have enough tax withheld from your paycheck. If you have pension or annuity income, see Pub. 505 or use the calculator at www.irs.gov/W4App to find out if you should adjust your withholding on Form W-4 or W-4P.

Nonresident alien. If you are a nonresident alien, see Notice 1492, Supplemental Form W-4 Instructions for Nonresident Aliens, before completing this form.

Specific Instructions

Personal Allowances Worksheet

Complete this worksheet on page 3 first to determine the number of withholding allowances to claim.

Line C. Head of household please note: Generally, you may claim head of household filing status on your tax return only if you’re unmarried and pay more than 50% of the costs of keeping up a home for yourself and a qualifying individual. See Pub. 501 for more information about filing status.

Line E. Child tax credit. When you file your tax return, you may be eligible to claim a child tax credit for each of your eligible children. To qualify, the child must be under age 17 as of December 31, must be your dependent who lives with you for more than half the year, and must have a valid social security number. To learn more about this credit, see Pub. 972, Child Tax Credit. To reduce the tax withheld from your pay by taking this credit into account, follow the instructions on line E of the worksheet. On the worksheet you will be asked about your total income. For this purpose, total income includes all of your wages and other income, including income earned by your spouse if you are filing a joint return.

Line F. Credit for other dependents. When you file your tax return, you may be eligible to claim a credit for other dependents for whom a child tax credit can’t be claimed, such as a qualifying child who doesn’t meet the age or social security number requirement for the child tax credit, or a qualifying relative. To learn more about this credit, see Pub. 972. To reduce the tax withheld from your pay by taking this credit into account, follow the instructions on line F of the worksheet. On the worksheet, you will be asked about your total income. For this purpose, total income includes all of your wages and other income, including income earned by a spouse if you are filing a joint return.

Form W-4 (2019)
Jointly and have a working spouse. If you have more nonwage income not subject to withholding, such as interest or dividends, you don't need to complete any of the worksheets for Form W-4. Another option is to use the calculator at www.irs.gov/W4App to make your withholding more accurate.

Tip: If you have a working spouse and your incomes are similar, you can check the "Married, but withheld at higher Single rate" box instead of using this worksheet. If you choose this option, then each spouse should fill out the Personal Allowances Worksheet and check the "Married, but withheld at higher Single rate" box on Form W-4, but only one spouse should claim any allowances for credits or fill out the Deductions, Adjustments, and Additional Income Worksheet.

Instructions for Employer

Employees, do not complete box 6, 9, or 10. Your employer will complete these boxes if necessary.

New hire reporting. Employers are required by law to report new employees to a designated State Directory of New Hires. Employers may use Form W-4, boxes 8, 9, and 10 to comply with the new hire reporting requirement for a newly hired employee. A newly hired employee is an employee who hasn't previously been employed by the employer, or who was previously employed by the employer but has been separated from such prior employment for at least 60 consecutive days. Employers should contact the appropriate State Directory of New Hires to find out how to submit a copy of the completed Form W-4. For information and links to each designated State Directory of New Hires (including for U.S. territories), go to www.acf.hhs.gov/css/employers.

If an employer is sending a copy of Form W-4 to a designated State Directory of New Hires to comply with the new hire reporting requirement for a newly hired employee, complete boxes 8, 9, and 10 as follows.

Box 8. Enter the employer's name and address. If the employer is sending a copy of this form to a State Directory of New Hires, enter the address where child support agencies should send income withholding orders.

Box 9. If the employer is sending a copy of this form to a State Directory of New Hires, enter the address where a worker who hasn't previously been employed by the employer, or who was previously employed by the employer but has been separated from such prior employment for at least 60 days, enter the rehire date.

Box 10. Enter the employer's identification number (EIN).

### For accuracy, complete all worksheets that apply.

- If you plan to itemize or claim adjustments to income and want to reduce your withholding, or if you have a large amount of nonwage income not subject to withholding and want to increase your withholding, see the **Deductions, Adjustments, and Additional Income Worksheet** below.
- If you have more than one job at a time or are married filing jointly and you and your spouse both work, and the combined earnings from all jobs exceed $53,000 ($24,450 if married filing jointly), see the **Two-Earners/Multiple Jobs Worksheet** on page 4 to avoid having too little tax withheld.
- If neither of the above situations applies, stop here and enter the number from line H on line 5 of Form W-4 above.

### Deductions, Adjustments, and Additional Income Worksheet

**Note:** Use this worksheet only if you plan to itemize deductions, claim certain adjustments to income, or have a large amount of nonwage income not subject to withholding.

1. Enter an estimate of your 2019 itemized deductions. These include qualifying home mortgage interest, charitable contributions, state and local taxes (up to $10,000), and medical expenses in excess of 10% of your income. See Pub. 505 for details.
2. Enter: $24,400 if you’re married filing jointly or qualifying widow(er)
3. Subtract line 2 from line 1. If zero or less, enter "-0-".
4. Enter an estimate of your 2019 adjustments to income, qualified business income deduction, and any additional standard deduction for age or blindness (see Pub. 505 for information about these items).
5. Add lines 3 and 4 and enter the total.
6. Enter an estimate of your 2019 nonwage income not subject to withholding (such as dividends or interest).
7. Subtract line 6 from line 5. If zero, enter "-0-". If less than zero, enter the amount in parentheses.
8. Divide the amount on line 7 by $4,200 and enter the result here. If a negative amount, enter in parentheses. Drop any fraction.
9. Enter the number from the **Personal Allowances Worksheet**, line H, above.
10. Add lines 8 and 9 and enter the total here. If zero or less, enter "-0-". If you plan to use the **Two-Earners/Multiple Jobs Worksheet**, also enter this total on line 1 of that worksheet on page 4. Otherwise, stop here and enter this total on Form W-4, line 5, page 1.
### Two-Earners/Multiple Jobs Worksheet

**Note:** Use this worksheet only if the instructions under line H from the Personal Allowances Worksheet direct you here.

1. Enter the number from the Personal Allowances Worksheet, line H, page 3 (or, if you used the Deductions, Adjustments, and Additional Income Worksheet on page 3, the number from line 10 of that worksheet).
2. Find the number in Table 1 below that applies to the LOWEST paying job and enter it here. However, if you're married filing jointly and wages from the highest paying job are $75,000 or less and the combined wages for you and your spouse are $107,000 or less, don't enter more than "3".
3. If line 1 is more than or equal to line 2, subtract line 2 from line 1. Enter the result here (if zero, enter "0") and on Form W-4, line 5, page 1. Do not use the rest of this worksheet.

**Note:** If line 1 is less than line 2, enter "0" on Form W-4, line 5, page 1. Complete lines 4 through 9 below to figure the additional withholding amount necessary to avoid a year-end tax bill.

4. Enter the number from line 2 of this worksheet.
5. Enter the number from line 1 of this worksheet.
6. Subtract line 6 from line 4.
7. Find the amount in Table 2 below that applies to the HIGHEST paying job and enter it here.
8. Multiply line 7 by line 6 and enter the result here. This is the additional annual withholding needed.
9. Divide line 8 by the number of pay periods remaining in 2019. For example, divide by 18 if you're paid every 2 weeks and you complete this form on a date in late April when there are 18 pay periods remaining in 2019. Enter the result here and on Form W-4, line 6, page 1. This is the additional amount to be withheld from each paycheck.
