Refuge Recovery

Statement of Purpose: Refuge Recovery is a mindfulness-based addiction recovery community that practices and utilizes Buddhist philosophy as the foundation of the recovery process. Drawing inspiration from the core teachings of the Four Noble Truths, emphasis is placed on both knowledge and empathy as a means for overcoming addiction and its causes. Those struggling with any form of addiction greatly benefit when they are able to understand the suffering that addiction has created while developing compassion for the pain they have experienced. We hope to serve you, and meet you on the path.

Celebrate Recovery

Statement of Purpose: Celebrate Recovery is a biblical and balanced program that helps us overcome our hurts, hang-ups, and habits. It is based on the actual words of Jesus rather than psychological theory. 26 years ago, Saddleback Church launched Celebrate Recovery with 43 people. It was designed as a program to help those struggling with hurts, habits and hang-ups by showing them the loving power of Jesus Christ through a recovery process. Celebrate Recovery has helped more than 21,000 people at Saddleback, attracting over 70% of its members from outside the church. Eighty-five percent of the people who go through the program stay with the church and nearly half serve as church volunteers.
