Whether you've decided to make Mines your home or if you are still deciding, check out this video featuring one of our current students, Cassidy Steen, talking about why she chose Mines and what she loves most about our Oredigger community.

You just heard Cassidy talk about Engineering Days (E-Days) in the video above. Check out the student-created 2018 E-Days Theme Release video below. **YOU** will get to enjoy this three-day celebration next year!
Admissions

Make it Mines!
If you are ready to be an Oredigger and have yet to submit your enrollment decision form and $200 deposit, please log into your Applicant Portal (login info below) and make it official!

If you are still deciding, that's perfectly fine, the National Decision Day is Tuesday, May 1st. Of course, feel free to reach out to us if there's any info you need to help make that final decision.

Department of Residence Life

April 1st was the first day that you could log into your Trailhead account to apply for housing and May 15th is the housing application deadline. Living on campus is an exciting part of the college journey and Colorado School of Mines' Department of Residence Life is looking forward to welcoming all of you to your new home!

Click here for additional information about residence life for new students.
Office of Financial Aid

All student financial aid awards are available to view on your Trailhead account. If you have yet to set up this account, please do so here to then view your most up-to-date information. Foundation scholarships will be awarded by April 6th and awardees will be notified by mail and email. Information regarding student and parent loans will be mailed and emailed in May.

Subscribe to the Financial Aid Newsletter!
For parents and students to receive quarterly information about Financial Aid dates and deadlines, sign up here.

Center for Academic Services & Advising

We here at CASA, the Center for Academic Services & Advising, are excited to be your academic advisors throughout your first two years on campus.

With the arrival of spring comes the question on everyone’s mind:

When and how do I register for classes?

Great question! The Registrar’s Office will register all new students for their fall semester courses in late July and you will receive your schedule on Trailhead on August 1st. Your classes will be scheduled based off your intended major.

Your intended major is:

If you would like to change your intended major, please do so at your earliest convenience via the Incoming Student Intended Major Form on your Applicant Portal (login information found in the Admissions section). This will be extremely important for your fall course scheduling.

Join a Meet Up Near You

Meet Ups will be happening across the U.S. for accepted students and their families in the following cities:

- Louisville, KY
- Austin, TX
- Chicago, IL
- Washington D.C.
- Baton Rouge, LA
- Atlanta, GA
If you live near one of these areas, don’t forget to RSVP using the link we emailed you. If you didn’t get the invitation, we’d love for you to attend! Just email Amanda Rodriguez, Admissions Counselor, at arodriguez@mines.edu and request that the invitation be emailed to you.

The Grand Challenges Scholars Program @ Mines

The Mines' Grand Challenges Scholars Program (GCSP) is very excited for you to join us at Mines as we prepare to tackle the big challenges facing our society.

Have you ever wondered how we can prevent nuclear terror or improve cybersecurity? Do you want to work on issues like providing clean drinking water around the world and making solar energy more economical? Problems like this are complex and require a complex skillset to address them. The goal of the Grand Challenges Scholars Program is to help you develop that skillset while you are at Mines.

If you are interested in joining the GCSP and would like more information, visit our website.

Note: This program is open to all students, regardless of whether you join the Engineering Grand Challenges Theme Learning Community.

Oredigger Camp

The start of your first year of college can be daunting - it’s a new environment full of new experiences, new expectations, new people and, for most freshmen, even a new bed. But now at Colorado School of Mines, some of the incoming students will have a leg up over first year students of years past, thanks to the new tradition, Oredigger Camp.

A few weeks before the start of classes, more than 600 first-year students get to spend two and a half days up in the Rocky Mountains, having fun, making friends and getting an introduction to what it means to be an Oredigger.

This year, there are three sessions of camp, which will be held on July 30-August 1, August 1-August 3 and August 3-August 5 at YMCA of the Rockies, in Estes Park. Based on our previous results, the impact was clear well before the last group of students loaded onto the bus back to Golden. These students had a great time, learned and laughed.

Register Today!
- Oredigger Camp 1: July 30 - August 1
- Oredigger Camp 2: August 1 - August 3
- Oredigger Camp 3: August 3 - August 5

Additional Oredigger Camp information can be found here.
Department of Military Science (Army R.O.T.C.)

Are you planning to enroll in Army or Air Force R.O.T.C. at Mines?
If you plan to attend R.O.T.C. classes, please email faguilar@mines.edu and let us know. We will create rosters and let the Registrar’s Office know which class to place you in. If you have questions, please call us at 303-273-3380.

If you would like more information about R.O.T.C. at Mines, please check out our R.O.T.C webpage, watch our video, and feel free to give us a call at 303.273.3380.
